

Customer Journey Map - Guided City Tours

Guided City Tours is an app/website that helps tourists to easily explore a city. A local guide will take the customer to famous places, explain the history and stories, and provide maps and audio guides.

Customers can easily book tours online and enjoy a safe and memorable trip:

- Easy online booking for city tours.
- Local expert guide for explanation.
- Covers famous places and hidden spots.
- Includes map, photos, and audio guide.
- Safe and enjoyable experience for tourists.

	 Awareness	 Research	 Booking	 Experience	 Reflection
 User Actions	• Sees social media post • Discovers via friend recommendation • Browses travel blogs	• Compares tours online • Reads customer reviews & ratings • Checks itinerary & pricing details	• Selects tour date & group size • Completes secure payment online • Receives booking confirmation email	• Meets guide at designated spot • Joins the guided tour group • Takes photos & engages with guide	• Shares photos on social media • Leaves a review & rating • Recommends to friends & family
 Touchpoints	Instagram & Facebook ads • Travel blogs & articles • Word of mouth	Travel review websites Google search results Comparison platforms	• Booking website or mobile app • Payment gateway Confirmation email inbox	• In-person tour guide • Mobile tour app & map • Signage & landmarks on route	• Follow-up email survey • Social media sharing • Loyalty or referral program
 Emotions	Curious • Inspired • Excited 	Cautious • Thoughtful • Evaluating 	Hopeful • Anxious • Relieved 	Enjoying • Engaged • Delighted 	Satisfied • Nostalgic • Proud 
 Pain Points	Overwhelmed by too many options Unaware of tour quality	Confusing or conflicting information Difficulty trusting online reviews	Complicated booking process Concerns about hidden fees	Crowded or busy locations Tour pace too fast or too slow	Delayed follow-up communication Lack of incentive to leave review
 Opportunities	Partner with travel influencers Targeted social media campaigns	Clear side-by-side comparisons Verified customer testimonials & photos	Streamlined one-click checkout Transparent pricing breakdown	Real-time updates from guide Personalized recommendations during tour	Automated review reminder Reward points for referrals
